1 Glacier flow

Julien, Linda, Moritz

Abstract

This will be the abstract...

1.1 Introduction

Nice first sentences, about why this is a veery important thing to read.

1.2 Theoretical background

Complicated equations and thinkings.

Calculate the theoretical speed of the glacier!

1.3 Methods and Setup

explain dGPS, base station correction

1.4 Results

Table with stake coordinates

Plots...

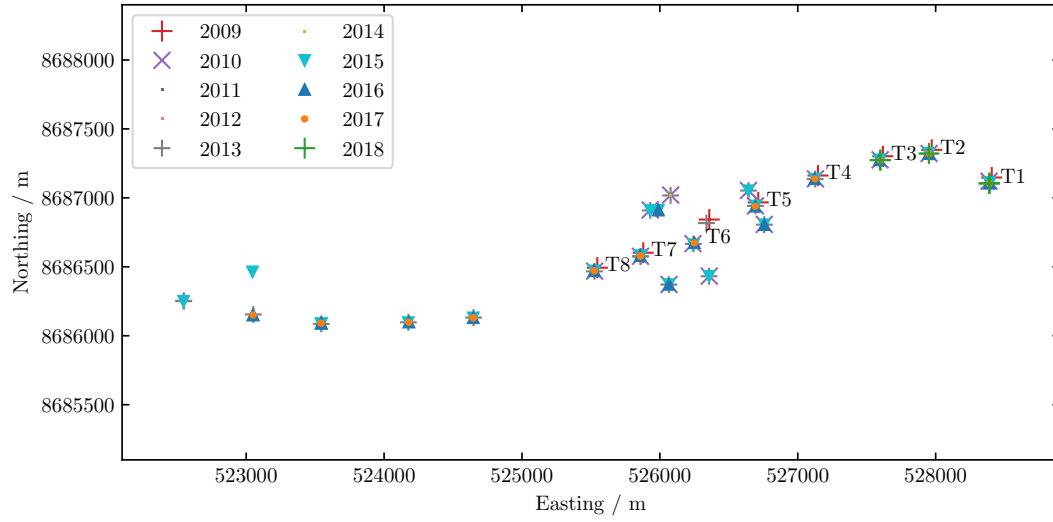

Figure 1.1: Stake positions on Tellbreen and Blekumbreen.

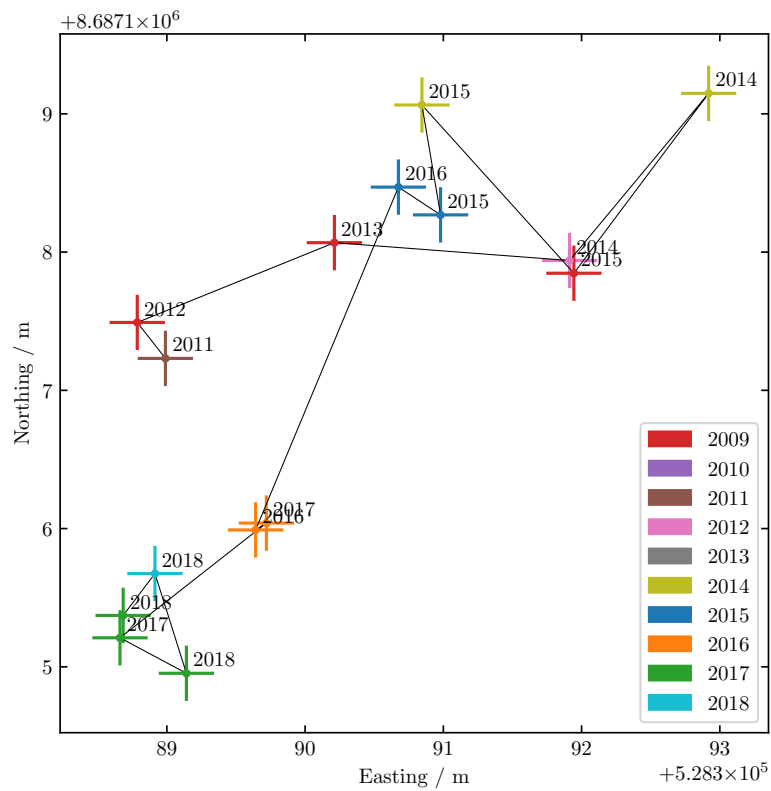

Figure 1.2: Measured position of stake T1 from 2009 to 2017.

1.5 Discussion

blabla ruckzuck

References
